Buckman: YES Graduate Internships 2026/27 Apply Now

Description

Buckman is offering a dynamic opportunity for recent graduates through our YES (Young Engineering and Science) Graduate Internship program. This program provides a hands-on learning experience in the specialty chemical industry, allowing interns to gain valuable insights, develop technical skills, and contribute to real-world projects under the guidance of experienced professionals.

Responsibilities

- Collaborate with cross-functional teams to support ongoing projects and initiatives within specific business areas (e.g., research and development, technical services, product innovation).
- Conduct experiments, analyze data, and generate reports to assist in the development and optimization of chemical processes or products.
- Participate in fieldwork, plant trials, or customer site visits to gain practical insights into the application of Buckman's solutions.
- Engage in problem-solving activities, propose innovative ideas, and contribute to continuous improvement efforts within the assigned department.

Qualifications

- Recent graduate with a Bachelor's or Master's degree in Chemical Engineering, Chemistry, Materials Science, or related fields.
- Strong academic background with a passion for applying theoretical knowledge to real-world challenges.
- Excellent analytical skills and the ability to interpret and present data effectively.
- Good communication skills and the capability to work collaboratively in a team environment.
- Adaptability and eagerness to learn and grow within a dynamic and fast-paced industry.

Job Benefits

- Competitive compensation package.
- Mentorship and guidance from seasoned professionals.
- Opportunities for skill development and networking.
- Potential for continued growth within the company based on performance.

Contacts

Interested candidates are invited to submit their resumes and cover letters detailing their interest in the YES Graduate Internship program at Buckman. Successful applicants will be contacted for further interviews and assessments.

Buckman is an equal opportunity employer committed to fostering an inclusive and diverse workforce. We encourage individuals from all backgrounds to apply.
