Gibela Transport Rail: Procurement / Supply Chain Internships 2026/27 New Hiring

Description

As a Procurement/Supply Chain Intern at Gibela Transport Rail, you will have the opportunity to gain invaluable hands-on experience in a dynamic and fast-paced environment. This internship is designed to provide exposure to the end-to-end processes involved in procurement and supply chain management within the rail industry.

Responsibilities

- **Support Procurement Operations:** Assist in procurement activities such as vendor sourcing, supplier relationship management, and purchase order processing.
- **Data Analysis and Reporting:** Conduct data analysis to identify trends, create reports, and provide insights to optimize procurement and supply chain strategies.
- **Assist in Logistics Management:** Collaborate with logistics teams to ensure efficient transportation and delivery of materials, fostering an understanding of the logistical aspects within the rail industry.
- **Contribute to Process Improvement:** Participate in process improvement initiatives to enhance efficiency, cost-effectiveness, and sustainability in the procurement and supply chain processes.
- **Cross-Functional Collaboration:** Engage with various departments including engineering, finance, and operations to gain a comprehensive understanding of how procurement integrates into the broader business functions.

Qualifications

- Pursuing or recently completed a degree in Supply Chain Management, Procurement, Logistics, Business Administration, or a related field.
- Strong analytical skills with the ability to interpret data and draw meaningful conclusions.
- Excellent communication and interpersonal skills, with the ability to collaborate effectively within a team environment.
- Proactive attitude, eagerness to learn, and a strong desire to contribute innovative ideas.
- Proficiency in Microsoft Office Suite (Excel, Word, PowerPoint, etc.) is preferred.

Job Benefits

- Mentorship and guidance from experienced professionals in the field.
- Exposure to cutting-edge technologies and processes within the railway industry.
- Hands-on experience contributing to real-world projects and initiatives.
- Opportunity to network and build connections within the transportation sector.
