Internal Audit Division Internships at SAPS 2026-25 Apply Here

Description

The South African Police Service (SAPS) is the primary law enforcement agency of the Republic of South Africa. With a mission to prevent and combat crime, uphold the law, and ensure a safe and secure environment for all South Africans, SAPS plays a pivotal role in maintaining peace and order in the nation.

SAPS is offering internship opportunities within its Internal Audit Division, providing students with invaluable hands-on experience in auditing practices within a dynamic and vital public service organization. This internship is designed to offer exposure to various aspects of internal auditing, compliance, and risk management, enabling interns to develop practical skills and gain insights into the operations of a large government institution.

Responsibilities

- Assist in conducting internal audits across different departments and units within SAPS.
- Participate in the evaluation of internal controls, processes, and procedures to ensure compliance with policies and regulations.
- Support the identification of areas for improvement in operational efficiency, risk mitigation, and internal controls.
- Assist in drafting audit reports summarizing findings, recommendations, and action plans for management review.
- Collaborate with audit team members to perform audit fieldwork, including data analysis, testing, and documentation.
- Engage in discussions with departmental staff to gather information and clarify audit observations.
- Contribute to the development and maintenance of audit programs and methodologies.
- Participate in special projects and initiatives aimed at enhancing audit effectiveness and organizational performance.

Qualifications

- Current enrollment in a Bachelor's or Master's degree program in Accounting, Auditing, Finance, Business Administration, or a related field.
- Strong academic record with a demonstrated interest in auditing, risk management, or internal controls.
- Excellent analytical skills with the ability to interpret data and draw meaningful conclusions.
- Proficiency in Microsoft Office applications, particularly Excel, Word, and PowerPoint.
- Strong interpersonal and communication skills, with the ability to work effectively in a team environment.
- Attention to detail and a commitment to accuracy and thoroughness in work.
- Ability to maintain confidentiality and exercise discretion in handling sensitive information.
