Mondi SA: Industrial/Organisational Psychology Internships 2026 – 2027 Apply Now

Description

Mondi South Africa invites passionate individuals pursuing a career in Industrial/Organisational Psychology to join our internship program. This initiative offers the opportunity to apply theoretical knowledge in a practical setting, contributing to HR projects and initiatives across different departments.

Responsibilities

- Assist in conducting psychometric assessments and analyzing data to support HR decision-making.
- Collaborate with HR teams to develop and implement talent management strategies.
- Support employee engagement initiatives, surveys, and interventions to enhance workplace dynamics.
- Contribute to learning and development programs based on organizational needs.

Qualifications

- Enrolled in or recently completed a degree in Industrial/Organisational Psychology or related field.
- Strong analytical, research, and problem-solving skills.
- Proficiency in MS Office suite and familiarity with statistical analysis tools is advantageous.
- Excellent communication and interpersonal abilities.
- South African citizenship or relevant work permits.

Job Benefits

- Gain hands-on experience in the field of Industrial/Organisational Psychology within a leading global company.
- Exposure to diverse HR functions and projects, providing valuable insights and learning opportunities.
- Mentorship and guidance from seasoned professionals in the industry.
- Networking opportunities and potential for future career prospects within Mondi South Africa.
