## Mr Price: Trainee Web Integrator 2026/27 Apply Now

### Description

The Trainee Web Integrator role at Mr Price offers an exciting opportunity for individuals interested in web development and e-commerce. As a Trainee Web Integrator, you'll collaborate with the digital team to support website functionalities, ensuring a seamless online shopping experience for customers.

### Responsibilities

- Assist in implementing and maintaining website content and functionality.
- Collaborate with developers and designers to ensure web elements align with the brand's standards.
- Conduct quality assurance checks to ensure proper functionality across various devices and browsers.
- Support the integration of content management systems and e-commerce platforms.
- Troubleshoot and resolve website issues and optimize user experience.
- Learn and adapt to new web technologies and tools under mentorship.

### Qualifications

- Bachelor's degree or equivalent qualification in Computer Science, Information Technology, or related fields.
- Basic understanding of HTML, CSS, and web development concepts.
- Familiarity with content management systems and e-commerce platforms is advantageous.
- Strong problem-solving skills and attention to detail.
- Ability to work collaboratively in a team-oriented environment.
- Eagerness to learn and grow in the field of web integration and development.

### Job Benefits

- Hands-On Experience: Gain practical exposure to web integration in a retail environment.
- Mentorship: Work alongside experienced professionals and receive guidance.
- Skill Development: Opportunity to learn and enhance web development skills.
- Career Growth: Potential for future roles within Mr Price's digital team.
- Dynamic Environment: Contribute to an innovative and fast-paced e-commerce setting.
- Networking: Engage with diverse teams and expand professional networks.
