SEI: Graduate Associate Internships 2026-2027 Apply Now

Description

Are you a highly motivated and ambitious graduate student looking to gain valuable hands-on experience in a dynamic and innovative organization? SEI is offering Graduate Associate Internships to talented individuals who are eager to make a meaningful impact in the field of education and professional development.

Responsibilities

- **Research and Analysis:** Conduct in-depth research on the latest trends and best practices in education and professional development. Analyze data and provide insights to support our ongoing initiatives.
- **Project Support:** Collaborate with cross-functional teams on various projects related to curriculum development, training programs, and educational content. Assist in project management, planning, and execution.
- **Content Creation:** Contribute to the development of educational materials, including written content, presentations, and multimedia resources. Help create engaging and informative content for both online and in-person delivery.
- **Program Evaluation:** Assist in the evaluation of educational programs and initiatives. Gather feedback and data to measure the impact of SEI's offerings and help identify areas for improvement.
- **Administrative Support:** Provide administrative support to ensure the smooth operation of various educational programs and initiatives. This may include scheduling, logistics, and participant communication.
- **Collaboration:** Work closely with mentors and colleagues to learn from experts in the field of education and professional development. Collaborate on cross-functional projects and contribute to a culture of teamwork and innovation.

Qualifications

- Currently enrolled in a graduate program in education, instructional design, business, or a related field.
- Strong research and analytical skills.
- Excellent written and verbal communication skills.
- Highly organized and detail-oriented.
- Ability to work in a fast-paced and collaborative environment.
- Enthusiasm for learning and professional development.

Job Benefits

- Valuable hands-on experience in a dynamic and innovative organization.
- Opportunity to make a meaningful impact in the field of education and professional development.
- Mentorship and guidance from experienced professionals.
- Networking opportunities within the education and professional development industry.

Contacts

1. Prepare Your Application Materials:
 - Update your resume to highlight your relevant education, skills, and experiences.
 - Write a cover letter specifically tailored to the internship position at SEI. In your cover letter, express your enthusiasm for the role and explain how your skills and background align with SEI's mission and the responsibilities outlined in the job description.
2. Compile Work Samples (if applicable):
 - If you have relevant work samples, such as research papers, educational content, or projects, consider including them to showcase your abilities.
3. Check Application Deadline:
 - Make sure to note the application deadline specified in the job posting to ensure your application is submitted on time.
4. Submit Your Application:
 - Send your application materials to the provided email address mentioned in the job description. Be sure to attach your resume and cover letter and include any additional information requested in the job posting.
5. Follow Application Instructions:
 - Carefully follow any specific application instructions provided in the job posting. This may include using a particular subject line in your email or including specific information in your application.
6. Double-Check Your Application:
 - Before sending your application, review it to ensure there are no errors or omissions. Ensure that your contact information is accurate, and your documents are well-formatted.
7. Write a Professional Email:
 - Compose a professional and polite email to introduce yourself and your application. Mention the position you're applying for and express your excitement about the opportunity.
8. Wait for a Response:
 - After you've submitted your application, wait for a response from SEI. They may contact you for an interview or request additional information.
9. Prepare for an Interview (if contacted):
 - If you are selected for an interview, prepare by researching the company and practicing your responses to common interview questions. Dress professionally and be ready to discuss your qualifications and enthusiasm for the role.
10. Follow Up (if necessary):
 - If you don't hear back from SEI within a reasonable time frame after the application deadline, you can consider sending a polite follow-up email to inquire about the status of your application.
