## SGS: Learnership (2026 / 2027) Latest Opportunities

### Description

SGS offers an exciting opportunity for individuals to kickstart their careers through our Learnership Program. This program is designed to provide participants with hands-on experience, practical training, and mentorship within their chosen field. As a Learnership Participant at SGS, you will have the chance to work alongside industry experts, gain valuable skills, and contribute to meaningful projects that make a real impact.

### Responsibilities

- Participate in various training sessions, workshops, and learning activities as outlined in the Learnership Program curriculum.
- Assist in conducting inspections, tests, and assessments under the guidance of experienced professionals.
- Learn and adhere to industry regulations, standards, and best practices relevant to the assigned field.
- Collaborate with team members to complete projects, solve problems, and achieve objectives within set timelines.
- Maintain accurate records, documentation, and reports related to assigned tasks and projects.
- Demonstrate a commitment to continuous learning and professional development throughout the duration of the Learnership Program.
- Follow all safety protocols, procedures, and guidelines to ensure a safe working environment for oneself and others.

### Qualifications

- High school diploma or equivalent qualification required; additional education or training in a relevant field preferred.
- Strong interest in the chosen field (e.g., engineering, environmental science, quality assurance, etc.).
- Excellent communication skills, both verbal and written.
- Ability to work effectively in a team environment and collaborate with colleagues from diverse backgrounds.
- Demonstrated problem-solving skills and attention to detail.
- Basic computer skills, including proficiency in Microsoft Office applications.
- Willingness to learn and adapt to new tasks, responsibilities, and technologies.

### Job Benefits

- Hands-on experience and practical training in a professional work environment.
- Exposure to diverse projects and industries, providing valuable insights and networking opportunities.

- Potential for career advancement and employment opportunities within SGS upon successful completion of the program.

## Contacts

- **Visit the SGS Careers Website:** Go to the SGS official website and navigate to the Careers section. You can typically find this by scrolling to the bottom of the homepage and clicking on the “Careers” or “Jobs” link.
- **Search for Open Positions:** Once on the Careers page, search for any open positions related to learnerships or entry-level opportunities. You can use filters to narrow down the search results based on location, field, or job type.
- **Review Job Descriptions:** Carefully read the job descriptions for any learnership positions that interest you. Ensure that you meet the qualifications and requirements outlined in the job posting.
- **Prepare Your Application Materials:** Gather all the necessary documents for your application, including your resume, cover letter, academic transcripts, and any relevant certifications or qualifications.
- **Submit Your Application Online:** Follow the instructions provided on the job posting to submit your application online. This typically involves creating an account on the SGS careers portal, uploading your documents, and filling out an application form.
- **Double-Check Your Application:** Before submitting your application, review all the information you’ve provided to ensure accuracy and completeness. Make any necessary edits or updates before finalizing your submission.
- **Submit Your Application:** Once you’re satisfied with your application materials, submit them through the online portal. You may receive a confirmation email or message acknowledging receipt of your application.
- **Follow Up:** After submitting your application, stay proactive by following up with SGS’s HR department if you haven’t heard back within a reasonable timeframe. You can inquire about the status of your application and express your continued interest in the learnership program.
- **Prepare for Interviews:** If your application is successful, you may be invited for one or more interviews as part of the selection process. Prepare for these interviews by researching SGS, practicing common interview questions, and highlighting your relevant skills and experiences.
- **Acceptance and Onboarding:** If you’re offered a place in the Learnership Program, congratulations! Follow the instructions provided by SGS for accepting the offer and completing any necessary onboarding processes before starting your journey with the company.
